

Responding to the needs of classified patients

Office of the Chief Psychiatrist

Would you like to be involved?

The Office of the Chief Psychiatrist is leading a project to support mental health service responses for individuals in custody who need treatment for mental illness in an inpatient unit. We are seeking your input to assist us in understanding the experience and needs of patients who have been admitted to a mental health inpatient unit.

We are seeking the following participants to complete a short survey:

- **Classified patients** – Have you been transferred from custody (i.e. prison, watchhouse or youth detention facility) to a hospital for assessment or treatment of a mental illness? and/or
- **Non-classified patients** – Have you been admitted to a hospital for assessment or treatment of a mental illness? and/or
- **A carer and/or support persons for a person who has been admitted to a hospital for assessment or treatment of a mental illness**

If you identify as any of the above and would like to participate in the survey, you can access it using the QR code or link provided on this flyer.

The surveys will close on **27 May 2024** and you must be 18 years or over to participate. If you have any queries or further questions, please email MHAODB-LU@health.qld.gov.au.

Alternatively, the surveys can be access through the following links:

- **Consumer:** <https://forms.office.com/r/aduEh9PiJx>
- **Carer/support person:** <https://forms.office.com/r/7hR8VCau7D>

If you are a **patient**, please use the following QR code to access the survey:

If you are a **carer or support person**, please use the following QR code to access the survey:
